

Timescale for planning Timetable valid from 10th December 2017 to 8th December 2018

1. Path requests received within 10/04/2017 will be treated according to the following scheme:

2. Path requests received from 11/04/2017 to 16/10/2017 (late requests) will be proceeded according to their chronological order, after the requests presented within the first deadline, according to the following scheme:

3. Path requests received from 17/10/2017 will be treated starting from sixteenth solar day after Timetable start-up, as requests for the running Timetable.

Note: **documents** for the Contract signature have to be sent by RUs **at least 45 days before timetable start up** (NS ch. 2.3.2.1)

See NS ch. 4.3.2 for further details on timetable planning.
